

## Tomako

Code	Color	Size (mm)	Weight (GSM)
Tomako	White	650 x 965	80

### Features

Tomako is a lightweight coated grade paper which combines the advantages of being robust and substantial while remaining easy to handle.

Tomako has dense and solid composition, yet is surprisingly light in weight, while the coating enhances its surface quality which contributes to high-quality print results.

Tomako is anticipated to yield precise and detailed print results, which ensure the final output is clear, vibrant and excellent quality.

### Ideal For

Match for all occasions, Writing, Text, Books, Agenda and more.
